Nationality: Spanish  
City: Cuenca

## PROFESSIONAL SUMMARY

Daniel de la Rosa is a composer, arranger, producer and cellist, currently working in audiovisual media. Daniel studied film scoring and music production for film. Since then, he focuses on producing music for audiovisual media, such as films, advertising and video games. Daniel is obsessed with the texture of sound and fascinated by minimal forms and harmony. His music is often defined by an intimate mix of electronic and acoustic instruments.
